

Preparation for the building of the new school in Andaung Chenh; December 2008

2 big ponds have to be emptied and prepared for the future building site

More than 2 weeks work for Samay, Thol en Kea (Don Bosco workers).

Professional workers arriving for the construction job

3 days and nights the pump needed to empty the ponds

Dangerous grounds...the mine clearing has still to be done!

Mine clearing at work...with a dangerous explosive found
