

**Construction of the new school in Andaung Chenh, January 2009.**

CMAC in action: clearing of land mines

Luckily the CMAC did a good job: in total 8 dangerous mines were found and properly destroyed

Father Visser en Mr. Eam Rithy (constructor) signing the contract (right: Sarika).

First a road has to be established on the building land

Mr. Rithy organizes and controls daily the work

The old pond is filled with earth from where the place of the new pond
